SCAVENGER HUNT

As a team of scholars you will explore the 2nd floor of MoPOP identifying artifacts of STEAM and the excellence of Black innovators.

TEAM JOBS

- 01. Guide-** you hold the trifold and keep track of what to find in each exhibit
- 02. QR Coder-** you pull up the videos at the QR code links and make sure team members can see and hear
- 03. Photographer-** you make sure your team captures the Photo Challenge in each exhibit
- 04. Navigator-** you use the map and help your team visit all 5 exhibits involved in the scavenger hunt
- 05. Reader-** you read loud and proud the special text poster at the entrance of each exhibit

IMPORTANT VOCAB

STEAM- An acronym for Science, Technology, Engineering, Art and Math. STEAM careers involve problem-solving and critical thinking—a kind of thinking where you question, reflect, and create an opinion—to innovate.

AFROFUTURISM- A movement in literature, music, art, and pop culture that features futuristic or science fiction themes that incorporate elements of Black history and culture.

Black Panther and Afrofuturism

INNOVATOR- A person who introduces new methods, ideas, or products.
