IN A WORLD WHERE...

Greetings! You have been chosen to complete a daring quest and earn your hero's reward. YOU are the star of your own adventure! Find companions and mentors who will help you through fantastical worlds and prepare you for your battle with your greatest foe. ***Safe journey, and may the Force be with you!***

BEGIN YOUR QUEST.

You have been called to begin your adventure! Before you can leave your familiar world, you must identify your quest. Choose your quest:

- Save your kingdom from the dragon
- Defeat the evil sorcerer
- Steal the starbase map
- Create your own!

DOCUMENT YOUR QUEST.

One day, others may tell stories of your victory! It's important to document your quest. Take photos (flash off, please!) of each part of your story and sketch out your ideas, or take photos of your journey. Show us what you've discovered at the end of your adventure and collect your hero's reward!

COMPANIONS + VILLAINS + CASTLES, OH MY!

All heroes need companions and wise mentors to help them defeat the villain and find their way through fantastic worlds. Explore the galleries below to identify the other characters in your quest. You may choose specific characters or create your own based on what you see.

YOUR THEME MUSIC

Every hero needs a heroic anthem! Think of who you are as a hero, and explore MoPOP's music galleries. Will you push musical boundaries or sing a ballad with an acoustic guitar? Listen to music in the galleries and choose who will sing your heroic anthem. Don't forget to photograph anything that inspires you!

HONOR YOUR VICTORY

Congratulations! You've defeated your villain and accomplished your quest! Do a victory dance, and decide how you would like to be commemorated.
